## Motive Learning Offers FREE Covid-19 Safety Compliance eLearning Course at Florida International Trade Expo

Learning technology company Motive Learning will exhibit at the virtual Florida International Trade Expo from March 16 – 18, 2021. A complimentary demonstration of the MotiveLMS Qualification Management System will be available during the event. Contact Sue Stinson at Motive Learning ([sue@motivelearning.com](mailto:sue@motivelearning.com)) for more information.

The MotiveLMS helps airport safety, ground handling, fueling operations and customer service operators manage their growing and changing workforces.

Managers can outsource or collaborate their training needs with Motive Learning's instructional designers to create high-quality, interactive training to keep their teams up to speed and in compliance with changing procedures and guidelines. This training can be updated, delivered and tracked quickly and efficiently with a minimum of disruption.

For a limited time, Motive Learning is offering its Wellness in the Workplace (Covid-19 Edition) eLearning course for free, with a qualifying purchase.

Motive Learning specializes in airport safety training, ground handling training, airport operations and compliance training and tracking.

Their skilled team has created a 30-minute course that provides general health guidelines and Covid-19 recommendations from the US Centers of Disease Control and Prevention (CDC) and meets the CAL/OSHA COVID-19 Employee Training requirement for Employers not covered by the Aerosol Transmissible Diseases (ATD) Standard.

The Wellness In the Workplace (Covid-19 Edition) training emphasizes:

- Individual responsibility for preventing and spreading illness in the workplace
- Characteristics of Covid-19 and infectious diseases proliferation
- Personal strategies for maintaining a healthy immune system
- Methods for limiting exposure in group settings
- Managing your mental health and work stress
- And the importance of health safety protocols including social distancing and contact tracing.

The company also provides complimentary look-and-feel, and company-specific guideline customization.

The course is delivered with any service level of the affordable and flexible MotiveLMS Qualification Management System.

The MotiveLMS monitors employee qualifications daily, so there is no longer a question of whether an employee is compliant for Covid-19 precautions and other critical training competencies.

## About Motive Learning

Motive Learning is trusted by airports, FBOs, and other aviation service providers. These organizations require employees with specialized skills. They have complex and continually changing equipment and procedures. Training programs need to be flexible and convenient. Our software and services help them develop and deliver custom interactive eLearning solutions.

Based on Florida's Space Coast, home of NASA's Kennedy Space Center and the next generation of human space flight, the company delivers customized learning management systems that allow its clients to conduct mandatory training, confirm employees meet qualification requirements, and report their qualification status to customers and regulatory authorities in real time. Motive Learning provides services to aerospace and aviation companies in the U.S. and throughout the world and can adapt the MotiveLMS to serve businesses large and small.

Motive Learning is best known for their software solutions, which include:

- **MotiveLMS Silver, Gold and Platinum;** an array of Learning Management System (LMS) platforms. Each product is appropriately sized to the organization to efficiently deliver training. The LMS includes a Qualification Management feature that tracks and reports training and compliance for safety standards and other requirements.
- **MotiveCAT, our Content Authoring Tool.** This is used by clients to create their own training programs. Built for non-programmers, subject matter experts have the ability to easily create interactive eLearning courses.
- **Motive API Key Generator;** provides access to all the data points in the MotiveLMS to enable seamless integration with other systems. This tool provides data integration into various Customer Relationship Management (CRM) systems, Human Resource Information Systems (HRIS), Safety Management Systems (SMS), and other third party Learning Management Systems (LMS).

The Motive Learning team includes experienced instructional designers, developers, and video professionals. This team of experts collaborate with clients to build engaging training programs on technical tasks, equipment use, and complex processes.
